

# WE ARE STRONGER TOGETHER

Are you the parent or caregiver of a child in Erie County who struggles with emotional or behavioral Health challenges? At times do you feel helpless or lost, with no idea where to turn for help?

**YOU ARE NOT ALONE!!!!**

Family Peer Parent Connection is a welcoming and inspiring place to share frustrations, concerns and ideas with caregivers who truly understand. We help parents/caregivers feel less alone by connecting them with the other parents/caregivers experiencing similar situations. We help parents/caregivers learn more about the services that are available to them in the community and connect them with resources that meet their needs.
